## Children's Hospital of Eastern Ontario

CHEO is a health care centre dedicated to providing comprehensive care to children and young people in Eastern Ontario and Western Quebec. Founded in 1974, CHEO offers a range of medical services for patients from birth through 18 years of age.

The purpose of the foundation is “to further the physical, mental and social well-being of children and their families in Eastern Ontario and Western Quebec by raising, managing and disbursing funds.” Funds raised by the Foundation help to: fund research, purchase new equipment, enhance the pediatric nature of the hospital, train staff, and assist families in crisis.

For more information please call 613-737-2785 or visit the website: [www.cheofoundation.com](http://www.cheofoundation.com)

## Children's Aid Foundation of Ottawa

The Children's Aid Foundation of Ottawa (CAFO) raises essential funds for children and youth who are in the care of and supported by the Children's Aid Society of Ottawa. CAFO inspires and empowers kids to reach their full potential by providing life-enrichment and educational opportunities that help break the cycle of abuse and neglect in our community.

Over 1,000 children, youth and their families are directly helped by CAFO each year in Ottawa. Our programs provide funding for basic necessities that are often taken for granted such as a post-secondary education (Dare to Dream Bursary Program), participation in after school sports activities (hockey, soccer, swimming), dance and music lessons, summer camps, and as well as the purchase of clothing, furniture, and school supplies.
